RE: VERIZON SELECT SERVICES INC. TARIFF FILING

Dear Sir/Madam:

Enclosed for filing with the Commission are amended sheets to the Verizon Select Services Inc. (formerly GTE Communications Corporation) Arizona C.C. Tariff No. 1. An original and ten copies are enclosed. The purpose of this filing is to amend previously filed tariff pages that were issued on July 7, 2000 and July 21, 2000. The July 7 filing did not accurately reflect our new name, Verizon Select Services Inc. Both the July 7 and the July 21 filings contained numbering errors and did not reflect the proper numbering. The change in numbering was due to our application for a facilities based Certificate of Public Convenience and Necessity. As a requirement for our facilities based Certificate of Public Convenience and Necessity we were instructed to modify our tariff to reflect all original pages. We respectfully request that the amended pages retain their original effective dates of August 7, 2000 and August 21, 2000.

Also enclosed are extra copies of both check sheets and a self-addressed, stamped envelope for your use in returning a stamped "Receipt Copy" to the addressee.

We appreciate your understanding and assistance in allowing us to amend these filings. Please refer any further inquiries about the amended pages to Tommy Curb at 972-465-4016. Thank you for your assistance.

Sincerely,

Donald R. Fowler
Director - Tariffs

PART II - LONG DISTANCE**SECTION 4 - APPLICATION OF RATES AND CHARGES****4.2 Description of Services (Continued)****4.2.11 Large Business Voice Service (Continued)****4.2.11.2 Large Business Voice Service II**

(N)

Contract Liability Extension

If one of the first two conditions and the second and third provision exist, Carrier and Customer may agree to transition Customer to the next lower Annual Commitment level:

1. If after the ninth month in a one-year contract, Customer is not on schedule to reach their commitment level at the end of the 12 months. Or if after the 11th month in a two- or three-year term contract, Customer is not on schedule to reach their commitment level at the end of the first year.
2. Customer must meet at least 75% of the original Annual Commitment level.
3. Customer must have an original Annual Commitment level no less than \$36,000.

Upon agreement by both Carrier and Customer, Customer's rates will be re-negotiated based on the new adjusted Annual Commitment level either before the 12th month anniversary date in a one-year contract or within 45 days after the 12th month anniversary date in a two- or three-year term contract. This commitment term and volume will not be renegotiated more than once in any consecutive 18-month period. In conjunction with this re-negotiation, Customer will be assessed five percent on the actual long distance usage billed for the subject year. For example, if Customer's original Annual Commitment was \$48,000 for a two-year term and Customer's actual long distance usage for the first 12 months is \$38,000, then Customer has the option to adjust the commitment level to \$36,000 for a new two year term. However, Customer will be billed five percent of the \$38,000, which is \$1,900.

If Customer does not re-negotiate the commitment level, the original contract term remains in-place and the minimum annual revenue commitment stated in Large Business Voice I, Section 4.2.11.1E, based on the original contract term, will be assessed.
